About UBS	University of South Brittany (Université Bretagne Sud) was founded in 1995. It is a multidisciplinary institution with two main campuses situated in Lorient and Vannes, Brittany, France. It offers academic programs from bachelor's level to the doctorate in different areas: humanities, social sciences, engineering, computer science, biochemistry, mathematics, law, economics and business. It has developed recognized research skills in 4 major fields: materials, costal and marine studies, social usages and practices, IT. University of South Brittany places special emphasis on: student life and welfare, innovation (e.g. new master's program in cyber defense; co-op programs at all levels; new technological platform on high-performance materials); top-edge research; industry partnerships and technology transfer; and international student mobility.
Key Figures	11000 students 6 faculties 40 student associations In top ten French universities for employability after graduation More than 100 academic programs from bachelor's level to doctorate 14 research laboratories Over 130 MoUs with foreign institutions worldwide 40% of international PhD students 3 technological platforms – Compositic, Effipôle, Prodiabio- and a Cyber Security Center
